and
Recognition

Influence on Behalf of Facility Managers

Responsible Facility Authority (NFPA 99)

Ensuring qualification based on **experience, not expensive certification** allowing hospitals to recognize **internal training and real-world experience.**

Raise
Awareness
and
Recognition

Emerging Advocacy Issues

Weapons Detection & Life Safety Code (TIA 1869)

Removing conflicts between security needs and life safety requirements to ensure hospitals can combat rising workplace violence without sacrificing compliance.

Raise
Awareness
and
Recognition

Emerging Advocacy Issues

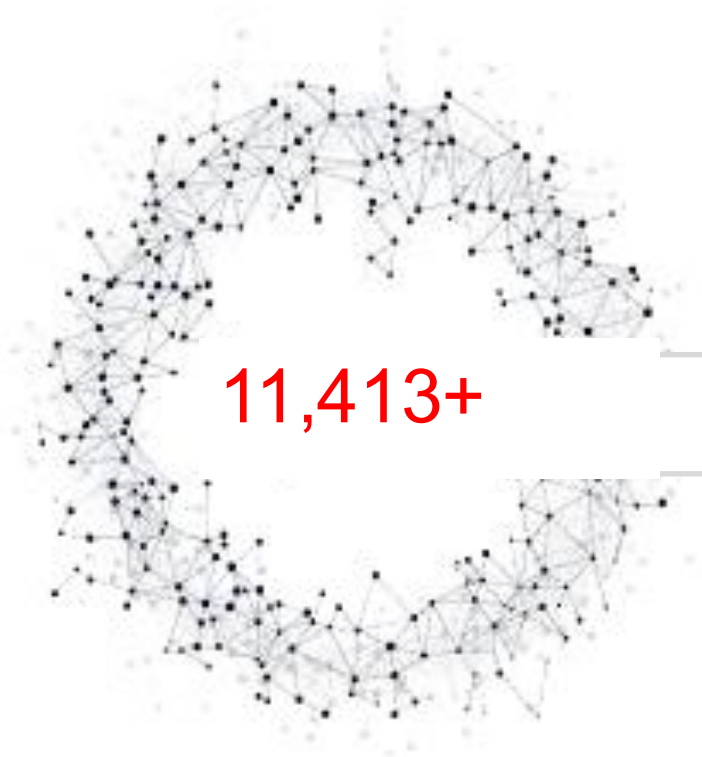

Battery Safety (NFPA 800)

Identify and mitigate risks associated with battery technologies in healthcare and propose aligned changes to codes and standards to improve consistency among AHJ's.
